

National Treasury  
Employees Union  
Chapter 98

## Special announcement from your Union President

As your president it is my intention to work in the best interest of all union members of National Treasury Employees Union. At this time I would like to present to you a new development. Of the immediate merger of three union office operations to provide wall to wall representation.

This will be provided by the joint effects of President Henry A. Atkinson (chapter 39 of LMSB), President Vincent J. Bernola (chapter 26 of Appeals) and President James A. Hull (chapter 98 of the Memphis Service Center). We have agreed to set up joint office space and union operation located in module H, the headquarters of chapter 98 Memphis Service Center. Chapter 26 headquarters is ATL GA and Chapter 39 headquarters, is Nashville TN. This joint operation task force will also provide dialog among these heads of office that will cover all IRS operation with in the Memphis Service Center

Also President Ian Gellis of (chapter 270 of ACS Nashville) has agreed to join us in the establishment of a co council of NTEU Presidents here at the Memphis Service Center. Let me say as your president of chapter 98 it is one of my goals to see NTEU and IRS to bridge the gap for a better work environment, for all Memphis IRS employees and for many years to come. Also a big thanks to these NTEU presidents for thinking outside of the box because this union is all about taking care of the business for its members.

National Treasury Employees Union

Thank You  
James A Hull Jr. President  
CHAPTER 98 - MEMPHIS
