LONG TERM CARE

The NTEU Long-Term Care (LTC) plan offers skilled, intermediate and custodial care in a nursing facility. The plan also covers non-confinement services such as adult day care, home health care, and respite care. Members, spouses, parents and parents-in-law under age 80 (when coverage is approved and effective) are eligible to apply.

HIGHLIGHTS OF THE PLAN INCLUDE:

- ◆ Return-of-premium feature, allowing a portion of the premium to be returned equal to premiums paid if the plan participant dies without using benefits or discontinues coverage. The percentage of the premium returned is based on length of enrollment in the LTC Plan-25 percent from five years to nine years, 50 percent from 10 years to 14 years, 75 percent from 15 years to 19 years, and 100 percent after 20 years. (This feature is not available to Texas residents.)
- ◆ Benefits available for costs incurred up to \$100 a day for confined care and up to \$50 a day for non-confined care.
- ◆ Automatic Inflation Protection Option and a Benefit Increase Provision, under which confined care coverage can increase to \$300 a day, and non-confined care to \$150 a day, over 20 years.
- ◆ Maximum benefit of 1,825 units of service-up to five years of confined care service, 10 years of non-confined care service, or a combination.
- ◆ Premiums based on age at enrollment, with no increase as age increases.
- ◆ Toll free hot line available to answer questions (800) 877-1052.

Note: Long-term care premiums are tax deductible like health insurance premiums. Specifically, premiums and expenses paid in excess of 7.5 percent of taxable income are tax deductible. Also, long-term care benefits received up to \$63,875 annually are tax exempt.

To enroll or for additional information, contact your local chapter office or send an e-mail to Tamara.Schultz@nteu.org. Include your name and mailing address.

PROFESSIONAL LIABILITY INSURANCE

NTEU members have the opportunity to purchase professional liability insurance. This insurance offers the following benefits:

Damages: The policy will pay all sums up to one million dollars (\$1,000,000), which you are obligated to pay as damage in suits based on acts, errors, or omissions committed in the performance of official duties.

Administrative Expense Coverage: The insurance company will provide counsel and pay cost of defense and monetary penalties arising out of disciplinary proceedings (including investigations) and judicial sanctions (monetary penalties imposed by any adjudicatory body as a result of error, act or omission). Up to \$100,000 annually is available for these expenses.

Coverages are provided by an AM Best "A" rated company and are summarized and subject to the terms, conditions and exclusions printed in the policy. Please refer to the policy form for specifics on coverages and limits. NTEU is in no way responsible for any such matters.

SHORT-TERM DISABILITY, CRITICAL ILLNESS, ACCIDENT, CANCER, UNIVERSAL LIFE, HOSPITAL INDEMNITY

(FROM COLONIAL LIFE & ACCIDENT INSURANCE COMPANY)

While you probably have health insurance, that coverage might not pay for the indirect costs of accidents, sicknesses and hospitalization—the costs no one thinks about until they become a reality. Colonial offers supplemental products that can help fill the gaps left by health insurance, with premiums paid through convenient payroll deductions.

- ◆ **Short-term Disability Insurance** – replaces a portion of your income to help make ends meet if you become totally disabled due to a covered accident or covered sickness.
- ◆ **Cancer Insurance** – Helps protect you against the out-of-pocket medical and indirect, non-medical expenses related to cancer diagnosis and treatment.*
- ◆ **Critical Illness (with Optional Cancer coverage)** – Complements your major medical coverage by providing a lump-sum benefit you can use to help pay the direct and indirect costs related to covered critical illness.*

*There are two ways to purchase cancer coverage – as a critical illness policy with cancer coverage, or as a stand-alone cancer policy that does not cover other critical illnesses. Please review fully with your Colonial representative the specific benefits of each, when making your decision.

- ◆ **Hospital Confinement Indemnity Insurance** – Provides a lump-sum benefit for a covered hospital confinement and a covered outpatient surgery to help offset the gaps caused by copayments and deductibles in most major medical plans.
- ◆ **Accident Insurance** –Helps offset the unexpected medical expenses, such as emergency room fees, deductibles and copayments that can result from a covered accident.
- ◆ **Universal Life Insurance** – Provides death benefits coverage that you can increase or decrease as your needs change. The policy builds cash value on a tax-deferred basis at current interest rates and has flexible premium payments and coverage amounts.
